Dear President Falconer:-

One of our boys, a splendid student, fell ill at Easter and has been in bed for ten weeks. This has compelled him to give up his examinations for matriculation. Is there any possible way for him to obtain admission to the Arts Course, other than writing the matriculation. He is over nineteen years of age and a really sound

student and I am sure he would have had no difficulty in passing. He contemplates taking Arts & Law & naturally at his age he does not want to lose any more time.

His illness was rheumatism of the heart & he is still in bed, so he will be unable to work until September.

I shall be very grateful if you can do something for him in his exams

extraordinary case.

With kind regards,

Sincerely yours,

H. C. Griffith.

President Falconer,
University of Toronto,
Toronto.

June 24th, 1914

H. C. Griffith, Esq.,

Ridley College,

St. Catharines.

Dear Sir:

In the absence of President Falconer in Europe I beg to acknowledge the receipt of your letter regarding one of your students. The only thing to be done now is to fill out the enclosed form of admission and return it to the Registrar together with a statement from the Principal and masters of Ridley College and a certificate from his attending physician. The matter will then be laid in the ordinary way before the Committee on Admissions.

I am afraid that nothing could be done now before late in August or early in September, as the Senate meets to-day and Committees will not be called again owing to the absence of the staff from the city on their holidays.

Yours very truly,

President's Secretary.
